

Full-Time Technology for Independent Living (TIL) Technician

THE OPPORTUNITY:

Technology for Living (TFL's) is in search of an enthusiastic, performance driven, team-focused and compassionate individual, who would like to use their intellectual, technical, and detailed-focus skills and experiences to support the Technology for Independent Living (TIL) department.

This is a full-time, in office (not remote) and permanent position (37.5 hours per week), Monday to Friday daytime hours.

This position is available mid-September 2024

COMPENSATION:

\$23.00 - \$25.00 per hour

Full benefits after completion of a 3-month New Employee Evaluation

THE ORGANIZATION:

Technology For Living (TFL) is a non-profit social purposed organization that has served people with disabilities in British Columbia for the past 50+ years. Our primary purpose is to help people with disabilities live independently at home by providing, installing, and servicing assistive technology and home automation for people living with physical disabilities. We do this through the offerings of three member-centered programs: 1. Technology for Independent Living (TIL), 2. Provincial Respiratory Outreach Program (PROP), and 3. Peer Support Program.

THE POSITION:

Within the context of a member-centered approach, the main tasks for this role include designing, building, and adapting assistive technology devices, as well as installing off-the-shelf technical devices, software & equipment. Assessing members' homes for further TIL involvement; and uninstalling no longer needed TIL equipment is also a component of this role, along with creating awareness and provide community educations.
